RE: MUR 4594

Dear Ms. Weissenborn:

This is to respectfully request a thirty (30) day extension to answer the Subpoena to Produce Documents and Order to Submit Written Answers. As Friends for Fasi received the letter dated December 6, 1996 on December 16, 1996, the requested extension is to February 16, 1997. The reason for the extension is that Friends for Fasi has recently moved into new offices and the records you have requested are stored within countless boxes. In the course of the move, some boxes were mislabeled and it is extremely time consuming to review the contents of each box. Friends for Fasi and Frank F. Fasi have every intention of complying with the subpoena and cooperating with your office to the fullest extent. Please also find enclosed the legal representation forms for both Friends for Fasi and Frank F. Fasi. You may send all future notifications to me at the address listed on the letterhead above.

Thank you for your consideration of this request.

Very truly yours,

David F. Fasi

Attorney for Friends for Fasi and Frank F. Fasi
